In pursuance of the past practice a recognition has been made & the pay of the Pt of 30 Rs in DA of which 15 Rs is added to the pay of the Sub Assts in charge of Weavers on the tapes. The Council then declined to sanction the strong recommendations of Mr Cameron. The arguments now adduced are practically the same as were before us on the last occasion and it is also financially objectionable to increase the fixed scale of pay, particularly here & on the score that the holder thereof has done his work remarkably well. If however there are other grounds within the Govt Resolutions of the 4th Dec 1908 that would justify the payment of an increased salary there would be no objection

22 These papers relate to the promotion of Mr. Y. Rama Rao, Curator of the Lal Bagh, Bangalore.

23 2. With his letter No.264 dated 18/22nd November 1911, the Superintendent of Government Gardens submitted an application from Mr. Y. Rama Rao praying for an increase of salary and for being placed in the graded service, and recommended that the maximum of Mr. Rama Rao's pay may be raised to Rs.150 and that he may be notified as a gazetted officer in order that he may have 'a proper status in the execution of his work in general and control of the office in particular'.

24 3. The Financial Department have recorded an objection to the increase of the fixed scale of pay merely on the score that the holder thereof has done his work remarkably well. Mr. Chakravarti thinks that 'the pay and allowances are quite adequate for the duties attached to the post'.

25 4. Both the Councillors are of opinion that Mr. Rama Rao is a deserving official and that his pay may be fixed at Rs.100-10/2-150, a recommendation in which I agree. Mr. Rama Rao has been drawing the maximum of the grade

Pm 5.2.9-11

viz. Rs.100 for the last two years and has been drawing an allowance of Rs.15 out of the allowance of Rs.30 sanctioned to him in Government Order No.G 5398-9/G.M.19-07-39 dated 20th March 1908. The increased scale proposed does not therefore appear to be too liberal and may accordingly be sanctioned.

it appears to be the intention now to improve his pay and prospects, the suggestion contained in the Office note may be adopted. If however, it is considered necessary to adhere to the regular increased scale of pay, it may at once be fixed at Rs 120/- to rise hereafter in accordance with the time scale. If however in consideration of the fact that Ramachar has been drawing Rs 165/ for some time it is considered desirable to start him in his new grade as a higher pay he may be started at Rs 120/- as suggested by the Dewan Secretary. In this case his pay

Sir,

In forwarding the enclosed application of the Curator of the Lal-Bagh, Mr. Y. Rama Rao, I have the honor to request you to kindly place the same before Government for favourable consideration.

2. Mr. Rama Rao's pay is not what it ought to be for the position he holds and since the personal allowance is being absorbed in his pay he has no prospect of betterment.

3. I would strongly urge that his pay be fixed on a graded scale and the maximum raised to Rs. 150/-

4. His position now is not that of a gazetted officer and it is very desirable that this drawback be rectified so that I should be able to place responsibility on him during my absence from headquarters and in order that he should have a proper status in the execution of his work in general and control of the office in particular.

I have the honor to be,

Sir,

I beg leave to approach you with the following request with the fervent hope that it will meet with sympathetic and kind ---- consideration.

Four years ago I submitted an application praying for an ----- increase of pay and graded service when my request was partially granted by way of giving me a personal allowance of Rs.30/- which having been absorbed into pay now stands at Rs.15/- for the last two years.

I need not tell you about the increase of work both out-door and at the office ever since you took charge of this Department. I have been to best of my ability trying to discharge the duties satisfactorily.

I might also mention that your constant moving and remaining out for a long period from the Head-quarters throws on me a very great responsibility not only in the Executive work but also in dealing with office work and keeping money for payments &c. Also during your absence I cannot fully deal with official papers and other bills &c. unless my position is raised to that of a graded officer to enable me to sign the same whenever there may be a --- necessity.

I,therefore,request you will kindly recommend me for any ---- increase of pay that you think proper and also to put me in the graded List of Service; for this I shall ever be grateful,

I beg to remain,
